Need to know

Government taxes and fees includes sales, use, excise, public utility and E911 taxes and governmental charges and fees that we are required by law to bill and remit. These taxes and fees may change from time to time without notice.

T-Mobile fees and charges include (i) a Regulatory Programs Fee (which helps to recover some of our costs incurred complying with local, state and federal governmental mandates and programs, including, but not limited to, E911, local number portability and number pooling); (ii) state and federal universal service fund charges (to recovery charges imposed on us by the government to support universal service); (iii) other governmental assessments on us including, without limitation, gross receipt and excise taxes. These surcharges and fees are T-Mobile charges, not taxes. What is included in the surcharges and fees may vary by locale and are subject to change from time to time.

Late Fees may apply on unpaid balances. The fee is the greater of \$5 or 1.5% per month, or the greatest amount permitted by law. This fee is a liquidated damage and not a penalty.

Payment by Check. When you provide a check as payment, you authorize us to either use information from your check to make a one-time electronic fund transfer (EFT) from your account or to process the payment as a check transaction. If we process your payment by EFT, the funds may be withdrawn the

same day we receive your payment, and your canceled check will not be returned. If payment is returned unpaid, you authorize us to collect additional fees as outlined in the Terms and Conditions of Service at t-mobile.com/terms-conditions. Please contact (800) 937-8997 with any questions.

Equipment Protect by Asurion (in Puerto Rico: CAPIC) is for the equipment repair and replacement you may have selected. See Equipment Protection Terms and Conditions at t-mobile.com for details.
